Regional Council input into city and district council planning

1. Purpose

To inform Councillors of Greater Wellington Regional Council’s input into the statutory resource management processes of territorial authorities in the region for the period from 30 November 2013 to 5 February 2014.

GWRC’s interest arises from the Council’s responsibilities for regional planning and the integrated management of natural and physical resources in the Wellington region.

2. City and District Council plan changes and resource consents

Territorial Authority	Status of Document	Name of Document	Main issues	Action
Upper Hutt City Council	Notified resource consent	New road through Akatarawa cemetery	Still being determined	Still to be determined
Upper Hutt City Council	Proposed plan change	Plan change 37 – Maidstone terrace	No regional issues considered significant enough to make a submission at this stage	No submission necessary
Wellington City Council	Decision, appeal period not yet closed	Plan Change 77 – Curtis Street Business Area	Storm water management and impacts on biodiversity values	Revised provisions address submission concerns, no further action
