Regional Council input into city and district council planning

1. Purpose

To inform Councillors of Greater Wellington Regional Council's input into the statutory resource management processes of territorial authorities in the region for the period from 15 March to 25 April 2016.

GWRC's interest arises from the Council's responsibilities for regional planning and the integrated management of natural and physical resources in the Wellington Region.

2. City and District Council plan changes and resource consents

Territorial Authority	Status of Document	Name of Document	Main issues	Action
Upper Hutt City Council	Publicly notified	Draft Land Use Strategy 2016-2043	Largely supportive stance on public transport matters and natural hazards	Submission being formed
Kapiti Coast District Council	Publically notified land use resource consent	Winstone Aggregates application of extraction of gravel. Removal of vegetation and earthworks at Te Roto Rd , Otaki	Identification and management of areas of significant vegetation, protection of the Flood Protection assets alongside the works and implications of the final lake formation in the excavated area	Consent granted and concerns met by conditions of the consent
