Date: 5 March 2013

Regional Council input into city and district council planning

1. Purpose

To inform Councillors of Greater Wellington's input into the statutory resource management processes of territorial authorities in the region for the period from 5 January to 22 February 2013.

2. Background

Greater Wellington's interest arises from the Council's responsibilities for regional planning and the integrated management of natural and physical resources in the Wellington region.

3. City and District Council plan changes
