

Application to change or cancel resource consent condition(s)

The non-notified initial fixed application fee to change or cancel consent conditions is \$506.00 (including GST). This covers four hours of our time. Should we take longer than four hours to process the application, you will be invoiced for the additional time at \$126.50/hour.

You can apply to change or cancel any of your consent conditions, except the expiry date of the consent.

Resource consent no: _____
