

## 7c Coastal permit application for swing mooring

*Please answer all questions fully.* The questions provide a guide in order to satisfy the minimum information requirements that must be included with your application as prescribed in Schedule 4 of the Resource Management Act 1991 (RMA). Depending on the scale of your proposed activity, more detailed information and an Assessment of Environmental Effects (AEE) will be required to support the resource consent application.

Officers from the Greater Wellington Regional Council's (GWRC) Environmental Regulation department are available to assist with filling out this form or to clarify information to include with your application. Up to 1 hour of free pre application advice is available to you.

### **This form is required to be filled out in conjunction with Form 1 Resource Consent Application**

Prior to lodging your swing mooring application you are required to consult with and obtain the written approval of the Harbourmaster for the following:

- The proposed mooring location is appropriate;
- The proposed mooring location meets the minimum spacing requirements; and
- The proposed mooring specifications are appropriate for the location.

Harbourmaster contact details: Phone 04 8304160 E-mail [harbours@gw.govt.nz](mailto:harbours@gw.govt.nz).
