Resolved

(Cr McQueen/Mr Southey)

That the apologies from Cr Macaskill, Cr Shields, and Mr Dalziell, be sustained.

RSW 47 Public Participation

The Chairperson invited Mr Joe Taylor to speak to the meeting.

Mr Taylor conveyed to the Committee his concerns regarding a senior staff member's comment at the recent global gravel resource consent hearing where it had been stated that sand and gravel was a 'toanga'. Mr Taylor considered that stating metal was a 'toanga' was completely out of order as this whole issue was still before the Waitangi Tribunal with metal forming only one part of the issue and no agreement had been reached.

Mr Gunn indicated that this was a belief conveyed by Iwi groups and he had acknowledged their belief that gravel was a 'toanga'. How and why it was considered a treasure was not fully understood by Council staff.
