Dear Anthony

On behalf of Capital & Coast District Health Board I would like to thank you for your enthusiasm and support for improved bus services to Kenepuru Hospital.

The recent implementation of the bus running between the town centre and Kenepuru is an exciting opportunity that significantly improves access to Kenepuru for Porirua and Kapiti residents. Thank you for your persistence and perseverance with implementing this new bus service.

Capital and Coast will actively promote this service.

Please let me know if there is anything we can do to support you with this service or other future initiatives.

Yours sincerely
