

Kapiti Bus Service Changes Proposed Stage 2

Dear Resident

The map on the other side of this page shows the two new bus routes – 73 and 74 – which are proposed to replace routes 3, 4 and 13 hopefully by the middle of the year. We would appreciate your feedback on the proposed new routes and service levels.

Improved Service Levels

On weekdays each of the routes shown on the map is proposed to have a service every 30 minutes between 6.00am and 8.00pm, with extra trips in peak periods to ensure connections with all trains to and from Wellington.

Weekend Services

On Saturdays, Sundays and public holidays, all Kapiti Coast bus routes will have an hourly service throughout the day, instead of the limited services which operate at present.

The Downside

“The Local” Route 13 will no longer operate.

Leinster Avenue will no longer be served. It has not proven possible to devise a simple and direct route which effectively serves both Leinster Avenue and all of Raumati South.

Feedback please!

If you have any comments to make on these proposals (positive as well as negative!), please contact the Wellington Regional Council:
