Notice to Otaki Residents - Transport Survey

Dear Resident

The Wellington Regional Council now has funding available to operate a limited weekday bus service between Otaki and Paraparaumu.

The purpose of this survey is to help us design a service to benefit the maximum number of residents.

The survey has three sections. Section 1 asks general questions about you, Section 2 asks about travel between 9am and 3pm and Section 3 asks about travel at peak times (7am-9am and 4pm-6pm).

Once we have analysed the survey and made a decision about the timetable, the service will be put out to tender and commence operation as soon as possible, probably in April/May 2001. We expect the fare to be between \$7.00 and \$10.00 return.

If you are interested in using the service, please fill out the attached survey form and return it to us by **Friday 9 March 2001**.

Do you need more survey forms?

If you need more than one survey form for your household - please phone Ridewell on 0800 801 700 and they will post more to you.

Thank you.
