Wairarapa Corridor Plan

1. Purpose

To provide for the Committee a Wairarapa Corridor Plan consultation process for approval.

2. Background

The Committee approved the draft Wairarapa Corridor Plan for public consultation at its meeting of 29 May 2003. The draft Corridor Plan is provided in **attachment 1**.

3. Comment

The following public consultation process has been proposed in discussion with the representatives of the Wairarapa territorial authorities.

- A meeting of key stakeholders was held 20 August 2003 in the Frank Cody Lounge at Masterton District Council.
- Transit New Zealand, Upper Hutt City, the three Wairarapa district councils and the Wellington Regional Council have been written to seeking their comments on the draft corridor plan.
- A call for submissions has been advertised widely, with copies of the draft corridor plan made available at the front desks of the above councils and on the Greater Wellington Regional Council website.
- A public meeting to be held to consider the draft corridor plan at 6pm on 8 September 2003 at the Greytown Town Hall.
- Submissions are to be written and addressed to Mr Tony Brennand, Manager Strategic Direction, Transport, Greater Wellington Regional Council and close 20 September 2003.
- A report on the submissions received with recommendations for amending the draft Corridor Plan will be compiled by officers and provided at the November meeting of the RLTC for consideration.

4. Communications

There are no relevant communication matters.

5. Recommendation

That the above public consultation process be approved.
