Event	Comments
Lighthouse and Lakes Trip – East Harbour Regional Park	I was apprehensive about a day out, about my fitness, toilet facilities etc. But it was great. Thanks. Excellent and very well run event.
Nature Discovery Treasure Hunt – Kaitoke Regional Park	Very good, well organised and enjoyed it very much. Great day for the family. Large bridge has a tempting concrete beam and a nice gap for a skinny pre-schooler to fall? Otherwise excellent.
Rimutaka Rail Trail – Pakuratahi Forest	Extremely impressed with the general organisation and facilities provided.
Glow Worm Grotto – Tunnel Gully	Bush at night is really great walk!
Valley to Sea Family Bike Ride – Hutt River Trail	Kids loved it. Well done. Great Event, The Hutt needs more of these family riding events. Great fun, nice to see give-aways for kids, etc. A great event, very well organised and enjoyable for whole family. Track just before Stokes Valley very difficult to negotiate with child seats or rear of bike. Very narrow and steps. Great help with fences thank you. Perhaps an alternative route against fence next to road could be organised to prevent bottlenecks and for people pulling trailers, with bike attachments for children and children who had trainer wheels on. We look forward to doing it again next year. A great day out and seeing the river from that aspect. I've really enjoyed myself. I bought my first bike in 15 years so that I could do this <u>and</u> it was worth it.
Swingbridge Track Family Quiz – Kaitoke Regional Park	Another great event by GWRC. Fun way to gain knowledge about the environment. Great! Well organised. A lot of fun. I'll be looking out for next year's programme!
Bush, bridges, BBQ – Kaitoke Regional Park	Excellent – best guide on GW walks so far (out of 3 this year). Had been here before but learnt heaps today. Already on mailing list. Keep in touch! Many THANKS Steve & Brad!
