R 53 **General**

- Councillors Baber, Donaldson, Lamason, and Wilde indicated that they wish to be considered to attend the Resource Law Management Association Conference to be held in Dunedin between 25 & 28 September 2008. Councillor Baber suggested that it would be desirable if all Committee members were able to attend.

Councillor Wilde advised that this would be budget-dependent, and applications should be made to Secretariat senior management.

- Officers were asked to publish technical data, statistics etc associated with, but not normally forming part of, reports on pollution control and non-notified consent decisions, on the Greater Wellington web site. The website is to be referenced in the reports.

The meeting closed at 10.11 am.
