CDEM Group Appointments

1. Purpose

To request the Wellington Region CDEM Co-ordinating Executive Group (CEG) to recommend to the Wellington Region CDEM Group the appointment of officers to a number of positions that have become vacant from staff changes.

2. Background

Legislation requires a CDEM Group to appoint, either by name or reference to the holder of an office, a suitably qualified and experienced person to be the Group Controller for its area (S.26 (1) of the CDEM Act 2002) and to appoint at least one suitably qualified and experienced person to perform the functions and duties, and exercise the powers of the Group Controller if they are absent from duty for any reason (S.26 (2) of the CDEM Act 2002).

S.27 (1) of the CDEM Act 2002 states that a CDEM Group may appoint 1 or more persons to be a Local Controller, and direct that person or persons to carry out any of the functions and duties of, or delegated to, that Group's Group Controller and to exercise the powers of Controllers in the area for which the Group Controller is appointed, including, but not limited to, the powers in sections 86 to 94.

As a result of staff changes at territorial authority level and by enhancing the CDEM Group's capacity, several positions have either become vacant or new positions have been established. These are alternate Group Controller, Local Controller, Group Recovery Manager, Group Recovery Manager (Alternate), and Local Recovery Manager positions.
