

Attachment 4 - Road Safety Actions

Action	Agency	Highlights THIS quarter	Status*	Status supporting comments
Plans and Systems				
Operate safety Management Systems (SMS) or other formalised systematic approach	KCDC	School Zone signs installed around all primary schools in Kapiti	☺	
	PCC		☺	
	WCC		☺	
	HCC	SMS in place. Implemented through our Deficiency Database	✓	
	UHCC	System in place and managed	☺	
	SWDC		☺	
	CDC	There is a SMS system adopted jointly by South Wairarapa and Carterton District Councils	☺	
	MDC		☹	no longer current - therefore requires review of content
	NZTA		☺	
Develop and implement road safety action plans for each TA area	KCDC	Complete for 2009-10	✓	
	PCC	Road safety plan in place and implemented. Minor Safety Projects and Community programs included in the RSAP have been completed	☺	
	WCC	New 2010/11 RSAP has been negotiated with partner organisations	☺	
	HCC	Ongoing implementation of Hutt City's RSAP, date of last quarterly meeting May 25th	☺	
	UHCC	Plan currently in place	☺	
	SWDC		☺	
	CDC		☺	
	MDC	RSAP meetings quarterly	☺	
Implement Risk Targeted Patrol Plans	NZ Police	Consolidating the use of Risk Targeted Patrol Plans through the District with improved uptake by Area Intel Units. A move to the Microsoft "Share point" system by Kapiti Mana and the District Road Policing Groups has resulted in improved taskings and clearer planning in other areas	✓	
Review urban speed management policies	KCDC		☺	
	PCC	Temporary 60 km/h speed limit and traffic calming on Grays Road. Traffic calming installed in McKillop Street, Almora View and Wairaka Road, Pukerua Bay	☺	
	WCC	A further 2 suburban centres have had speed limits reduced to 30km/h	☺	
	HCC	Ongoing speed billboard campaign. LATM in Te Mome Rd/Beaumont Av completed. 80km/h speed limit on Wainui Coast Road approved by Council at its June meeting	☺	
	UHCC		☺	

Action	Agency	Highlights THIS quarter	Status*	Status supporting comments
	SWDC		☺	
	CDC		☺	
	MDC	Speed limits bylaw review completed in May/June with 10 changes implemented. Investigating and prioritising sites for school zone signage has begun	☺	
	NZTA		☺	
Education and Awareness Activities				
Support and carry out national, regional and local education and awareness campaigns relating to road safety	KCDC		☺	
	PCC	Child restraint campaign	✓	
	WCC	We have run and supported a number of campaigns over the last quarter targeting speed, intersections, pedestrians, cyclists, youth, drink driving, motorcycles and restraints	☺	
	HCC	Hutt City has promoted 'Stop, Look, Live' and 'Mind the Gap' campaigns	☺	
	UHCC	Road Safety Coordinator actively involved in proactive education particularly in the schools and defence	☺	
	SWDC		☺	
	CDC		☺	
	MDC	09/10 Community Programmes delivered through Wairarapa Road Safety council. Funding request for 10/11 and 11/12 submitted	☺	
	NZTA	Complete for this FY	✓	
	NZ Police	FY Road Safety targets met subject to staffing availability. The Crash Trailer "Last Choice" was introduced across the region, with significant up-take by Upper Hutt Road Safety Coordinator (RSC) to both schools and community. Similar style engagement by all RSCs should see benefits in education to the same level as Upper Hutt	✓	
ACC	Wellington Intersection campaign was launched in June and is a joint campaign between Police, ACC and WCC. It focuses on intersections which have a high level of serious injuries, and involves spotters recording registration plates and sending warning letters alongside a media campaign reminding drivers to obey the road rules. To date: 105 red light runners from the 8 sites, with letters sent out at the end of June. Debrief and evaluation is planned for August. HCC has received four radar drones, this in an attempt to reduce speeding in the area	☺		
Promote awareness of driver fatigue issues	NZTA	Complete for this FY	✓	
	ACC	ACC attended the Kapiti Road Planning meeting with Police and Kapiti Coast District Council. The Council and Police continue to promote fatigue and ran a fatigue rest stop on SH1 over the Queens Birthday weekend, ACC sent fatigue resources to support the campaign	☺	

Action	Agency	Highlights THIS quarter	Status*	Status supporting comments
Develop programmes to provide motorcyclist skills training and promote awareness of motorcycling safety issues	KCDC		☺	
	PCC	Motorcycle awareness campaign and planning for Motorcycle skills day	✓	
	WCC	A programme has been developed in conjunction with ACC	✓	
	HCC	Hutt City distributed ACC motorcycle safety material through retailers. Advertised Scooter Survival website. Motorcycle safety billboard advertising campaign commenced in June. Attempted to recruit riders for subsidised skills training through secondary schools and motorcycle retailers, but without success	☺	
	UHCC	We have an application in to NZTA for a motorcycle education course over 2010/11	☹	No current plan in place but we have supported initiatives by NZTA and Police to run skills courses at Defence
	SWDC		☹	Actions require further development and consultation
	CDC		☺	
	MDC	2 billboards erected by Wairarapa Road Safety council in conjunction with NZTA. Distributed education packs to local businesses for motorcyclists	☺	
	NZTA	NZTA, NZ Police, ACC held motorcycle training day for NZ Defence staff and families in June. Development of national syllabus for motorcycle training in conjunction with ACC	☺	
	ACC	20 scooter and motorcyclists attended ACC subsidised training in May. 30 motorcyclists from Trentham Military Base attended a rider skills awareness workshop (run by Police) in May. Workshop supported by Police, NZTA and ACC with local trainer ROADS SAFE attending to encourage participation in further training. ACC attended the regional motorcycle planning meeting, between Police, NZTA and ROADS SAFE. The meeting established a good grounding for the future focus of motorcycles and lower powered bikes in the Wellington region, with a three year focus and a multi levelled approach. Members have meet since and the planning of the three year implementation plan is ongoing and will be shared nationally once the planning is complete	☺	
Develop programmes to provide driver skills training to inexperienced drivers	KCDC	Young drivers campaign, Adults literacy group quarterly	☺	
	PCC	Planning for Driver Skills training	☺	
	WCC		☺	
	HCC	Learner Licence courses delivered through Kokiri Marae and Hutt English Language partners	✓	
	UHCC	We support the program being run by Police and NZTA	☺	

Action	Agency	Highlights THIS quarter	Status*	Status supporting comments
	SWDC		☺	
	CDC		☺	
	MDC	2 billboards erected by Wairarapa Road Safety council in conjunction with NZTA. Distributed education packs to local businesses for motorcyclists	☺	
	NZTA		☺	
Advocacy and Funding				
Advocate for adequate funding, via TA annual plan submission process, to be allocated for road safety actions	GW	Submissions completed on all TA Annual Plans for 2010/11 advocating importance of funding for road safety improvements	☺	

* See Table 1, page 2 for status key.
