Dear Paul

Grow Wellington's Draft Statement of Intent 2014/2015

Thank you for providing the WRS Committee with the Grow Wellington Draft Statement of Intent 2014/2015 (SOI).

The WRS Committee is satisfied with the purpose and content of the SOI. The Committee recognises that the next twelve months could be challenging for Grow Wellington with the proposed changes to regional governance and delivery arrangements. We encourage you to continue the excellent work progressed since the refresh of the Wellington Regional Strategy and reflected in the SOI 2014/15 activities.

We look forward to seeing the Business Plan when it is completed.

Thank you again for providing the WRS Committee with the Draft Statement of Intent 2014/2015.

Yours sincerely

Sir John Anderson
Chair, Wellington Regional Strategy Committee
