### Decisions on non-notified resource consent applications

---

#### 1. Purpose

To report on decisions made under delegated authority on non-notified resource consent applications. This report covers the period 20 May 2013 to 2 August 2013.

#### 2. Applications processed

A total of 92 non-notified resource consents were received during the period, with 74 being approved in the period. This compares with 79 non-notified consents that were approved for the same period last year. Two applications were returned as incomplete under Section 88 – only slightly down from 5 in the same period last year.

The consents approved are summarised in the table below:

	Coastal permit	Discharge permit	Land use consent	Water permit
CDC	1		11	2
HCC		2	7	
KCDC		2	6	3
MDC		3	3	2
PCC		1	1	
SWDC		1	8	12
UHCC			2	
WCC	5		1	
Whole region		1		
Total	6	10	39	19

### **3. Consent trends**

The only clear trend common for this time of year, was a steady stream of water permit applications – especially in the Wairarapa. This was probably a result of the drought conditions being experienced at that time and as a result people were investigating alternative sources for acquiring water.
