Remission of rates on Māori land

Greater Wellington must¹ adopt a policy on the remission and postponement of rates on Māori freehold land². Greater Wellington has also elected to consider applications for remission of rates on certain land in Māori ownership which is not Māori freehold land.

Greater Wellington has taken into account the principles of the preamble to Te Ture Whenua Māori Act 1993 and the matters identified in schedule 11 of the Local Government Act 2002 in making this policy, including deciding to consider applications for remission of rates on general land collectively owned by Māori in the circumstances set out in this policy. This policy is made under sections 102, 108 and 109 of the Local Government Act which reflects that the policy applies both to Māori freehold land and to general land collectively owned by Māori.

Greater Wellington has determined that this policy does not offer postponement of rates.

Objectives

1. To recognise that certain Māori owned land may have particular conditions, features, ownership structures, or other circumstances that make it appropriate to provide relief from rates.
2. To recognise that Greater Wellington and the community benefit through the efficient collection of rates that are properly payable and the removal of rating debt that is considered non-collectable.
3. To support the connection of mana whenua and Māori to their traditional lands and resources, and cultural values, where appropriate, through the short, medium and long term relief from rates
4. To meet the requirements of the Local Government Act 2002 and to support the principles in the preamble to Te Ture Whenua Māori Act 1993.

Eligibility, criteria and conditions

Greater Wellington will consider each application on its merit and a remission may be granted where it is considered that the application meets the relevant criteria and conditions set out below.

In order to be granted a remission the land must be eligible. Eligible land is either:

Relief, and the extent thereof, is at the sole discretion of Greater Wellington and may be cancelled and reduced at any time if Greater Wellington becomes aware of a change in the eligibility for that land under this policy.
