PRICE LIST 2023

We supply a wide range of native and exotic trees to farmers, lifestylers, landscapers and home gardeners. We develop tree stocks to support local farmers to prevent soil erosion on hill country farms. Our plants are suited to the various climates and soil types in the Wellington region.

OPEN 1 JUNE TO 30 SEPTEMBER
Mon - Fri 8.30am to 3pm

NATIVE AND ECO-SOURCED PLANTS

Akura sells predominantly Wairarapa eco-sourced native plants. An eco-sourced plant has been grown from seeds or cuttings collected from populations of locally occurring plants. Our eco-sourced stock is easily identifiable at Akura.
