In this document, the physical area of Council's statutory responsibility, being the Wellington Region, is referred to as "the region".

Governance

Councillors are elected to Council through regular three-yearly elections, when the different constituencies of the region select their representatives for the forthcoming triennium. Once the elected Councillors have made their statutory declarations, they collectively (as Council) make decisions in the interests of the region as a whole; although they are also expected to understand the aspirations of different groups within the community.

Councillors have statutory obligations and restraints regarding the exercise of their powers, functions and duties.

Committees

As Council is responsible for a wide range of strategies, plans, and functions, Councillors need to organise their own work in a way that both facilitates a clear understanding of the issues and community concerns, and promotes efficiency and effectiveness.

Council's optimal governance model is to create a series of standing committees that have the purpose(s) and specific responsibilities outlined in the following terms of reference. These committees may have delegated powers, functions and duties from Council; the Council remains accountable for the exercise of these delegations. Council can still decide on matters delegated to Committees (or the Chief Executive), except where those delegates have already exercised the delegation.

This governance model is intended to ensure decisions are made at the most appropriate level, and to provide clarity on the different and complementary roles of 'governance' and 'management'.

Whilst specific Councillors are appointed to each standing committee, all Councillors receive copies of the order papers of these committees. Any Councillor may attend (sit at the table) and speak at a committee meeting, except for meetings of the Regional Transport Committee. A summary of the matters dealt with by those committees is reported to Council.

Management

Greater Wellington Regional Council (Greater Wellington), as an organisation, delivers Council's strategies, policies and plans through a range of functions, programmes and activities. The actual delivery is carried out, under delegation, by staff appointed by the Chief Executive. The Chief Executive is accountable to Council for all delivery.

21 Whaitua Kāpiti Committee (An advisory body to Council)

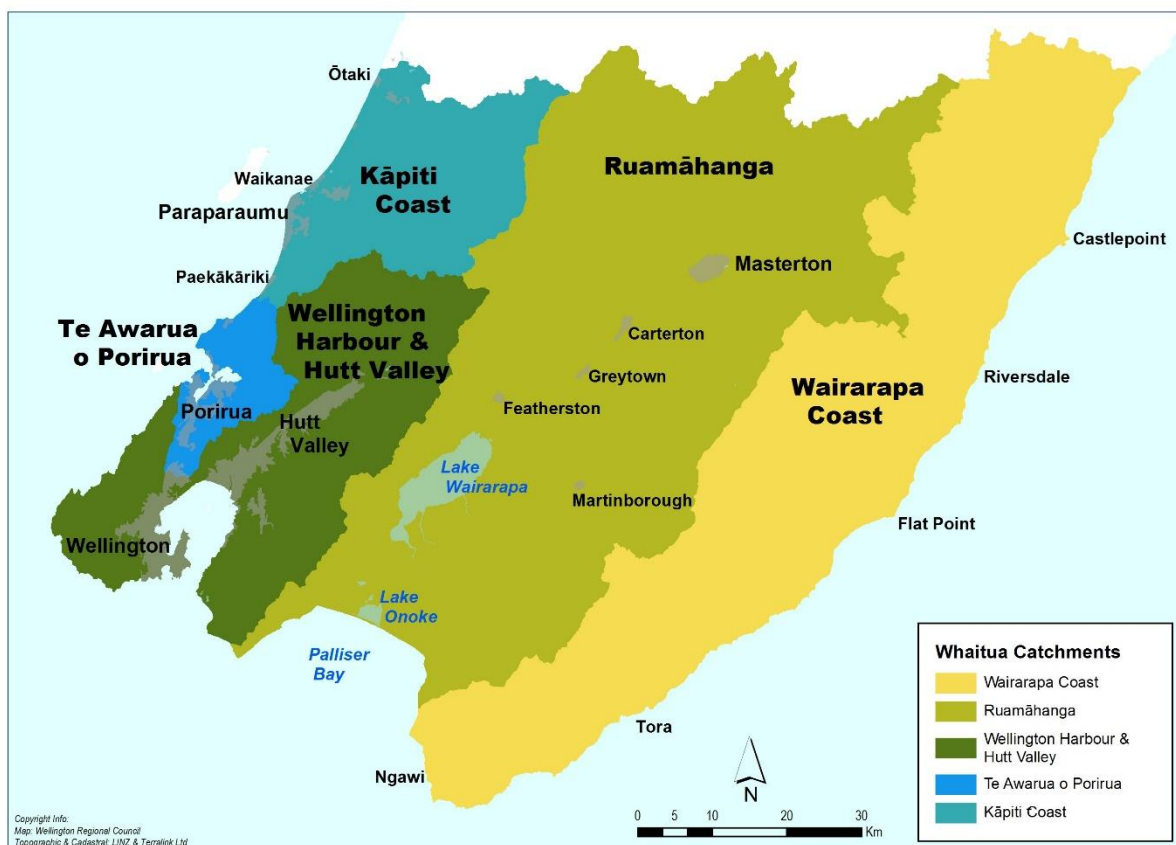

Te Tiriti o Waitangi / Treaty of Waitangi (Te Tiriti) are the founding documents of Aotearoa New Zealand. The signing of Te Tiriti in 1840 guaranteed mana whenua tino rangatiratanga over lands, forest, fisheries and other taonga. Rangatiratanga differs from other forms of authority, such as kāwanatanga of local and central government which is also subject to the tino rangatiratanga of mana whenua. The agreements within Te Tiriti, among other important aspects can be viewed as a partnership. That partnership recognises both types of authorities (rangatiratanga and kāwanatanga) functioning together. Professor Whatarangi Winiata proposed a Tiriti House Model that has origins from the ĀRT Confederation (Te Ātiawa ki Whakarongotai Charitable Trust, Ngā Hapū o Ōtaki (hapū of Ngāti Raukawa within the district mandated organisation) and Ngāti Toa Rangatira Inc)¹⁶. The Tiriti House Model proposes a Tiriti approach to decision-making that provides for the equal recognition of, and input from each house (Mana Whenua House and Kāwanatanga House). The diagram below presents a visual representation and for further explanation refer to Webster and Cheyne, 2017¹⁷:

‘Whaitua’ is a Te Reo Māori term for a region, designated area or domain. The Natural Resources Plan for the Wellington Region (the Regional Plan) utilises the word ‘whaitua’ to describe a catchment or sub-catchment (zone) managed as an integrated system. The area of the Kāpiti Coast whaitua is labelled on the map below.

1 Tiriti House Model

- 1.1 The Tiriti House model provides a framework and principles to guide representation and collaborative work that is grounded in Te Tiriti o Waitangi. The Tiriti House model will inform the principles, structures, and processes of the Whaitua Kāpiti Committee.
- 1.2 Whilst a Tiriti-based, partnered decision-making process and work is the outcome of the model, the model requires consideration of how all three ‘houses’ function effectively and equitably, including their processes of accountability and how they are resourced.

2 Tiriti House

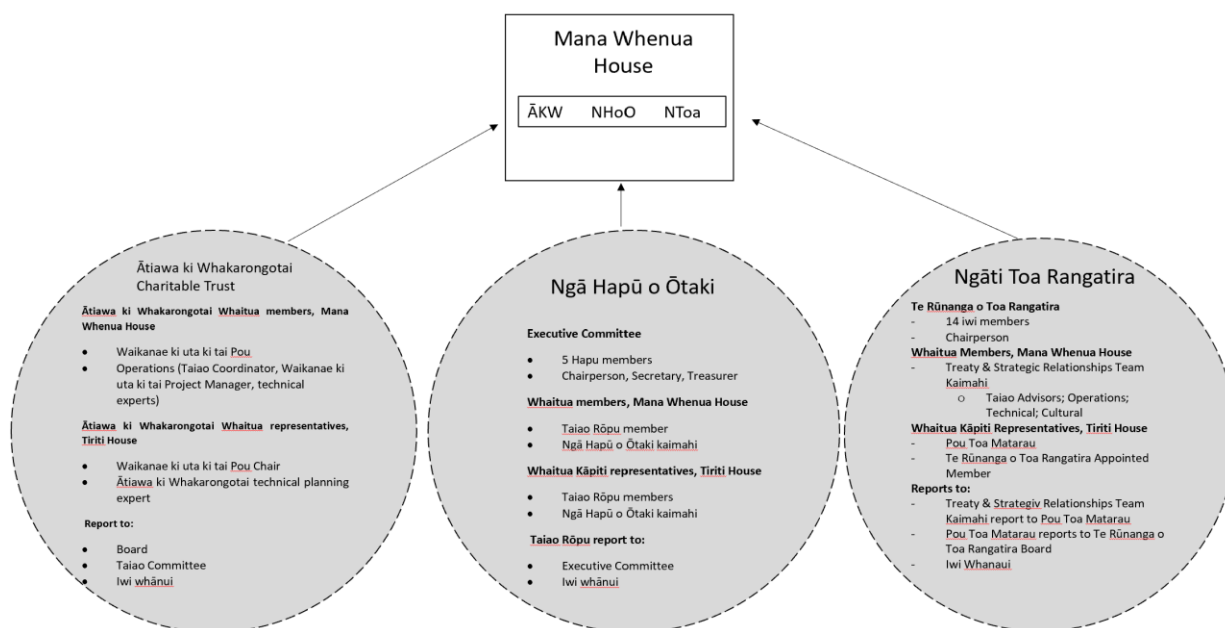

- 2.1 The Tiriti House will be the forum that facilitates decision-making across representatives chosen by both mana whenua and kāwanatanga in the spirit of Tiriti partnership. This forum will provide for decision-making across both of the spatial scales that the Whaitua Kāpiti Committee will be required to address:
 - a District-wide decisions on broader policy that are rightfully made at the district scale
 - b Local decisions on specific Freshwater Management Units (FMUs) and waterways.
- 2.2 Where Tiriti House decisions have a district wide scale, all three iwi of the ĀRT Confederation will participate in the Tiriti House process. Where Tiriti House decisions

are specific to certain waterways and FMUs, the iwi who hold mana whenua status in relation to those waterways will participate in the Tiriti House process. The Mana Whenua House will agree at the scale participation required.

- 2.3 All members of the Kāwanatanga House will participate in all decisions at both district and local scales.

3 Mana Whenua House

- 3.1 Alongside the six Mana Whenua House representatives on the Whaitua Kāpiti Committee, the Mana Whenua House will include Pou (key advisors) and operational staff and experts from each of the three mana whenua organisations – Te Ātiawa ki Whakarongotai Charitable Trust, Ngā Hapū o Ōtaki (hapū of Ngāti Raukawa within the district mandated organisation) and Ngāti Toa Rangatira Inc (ĀRT). The three iwi who have mana whenua status within the Kāpiti Coast will meet on a regular basis as the Mana Whenua House for the Whaitua Kāpiti Committee. Additionally, it should be recognised that each iwi will have its own internal structures and processes including communications, reporting and accountability requirements. For example, monthly hui with iwi/hapū members, board papers, presentations, wānanga, taiao rūpu hui etc.
- 3.2 When working within the Mana Whenua House, the Pou, as key advisors, will wānanga key policy issues and proposed environmental standards, with the support of the operational members. These wānanga will inform the positions that the six Mana Whenua House representatives will take into the Tiriti House - Whaitua Kāpiti Committee. This ensures the positions put forward by the Mana Whenua House representatives at the Whaitua Kāpiti Committee are informed by the wider Mana Whenua House and are authentic, transparent, accountable and robust. It also ensures that Mana Whenua House representatives do not make unilateral decisions without further consultation with iwi. The diagram below which sets out the structure for the Mana Whenua House.

4 Kāwanatanga House

- 4.1 The Kāwanatanga House will comprise the elected members of Greater Wellington Regional Council and Kāpiti Coast District Council, and community members.
- 4.2 The Kāwanatanga House will also comprise advisors from Greater Wellington and Kāpiti Coast District Council, including external consultants, to help support decision making. Positions taken by members of the Kāwanatanga House into the Tiriti House will be those of the members themselves, not the advisors.
- 4.3 Consensus will be sought within the Kāwanatanga House prior to meeting in the Tiriti House. Where consensus cannot be reached, options and analysis to inform decision making shall be brought to the Tiriti House.

5 Purpose and function

- 5.1 To give effect to the National Policy Statement for Freshwater Management 2020 (NPSFM) through the development of regulatory and non-regulatory proposals to be documented within the Whaitua Kāpiti Implementation Programme (WIP)¹⁸.
- 5.2 The Whaitua Kāpiti Committee will operate in equal partnership with Mana Whenua to reflect Te Tiriti o Waitangi Principle of partnership.
- 5.3 The Whaitua Kāpiti Committee will be guided by the five principles of the Regional Plan Review process:
 - a Ki uta ki tai – interconnectedness
 - b Wairuatanga – identity
 - c Kaitiakitanga – guardianship
 - d To matou whakapono – judgement based on knowledge
 - e Mahitahi – co-operative partnership.

6 Status of the Whaitua Kāpiti Committee

- 6.1 The Whaitua Kāpiti Committee is an advisory body established by Council.
- 6.2 The Committee is not a subordinate decision-making body of Council and is not a committee under the Local Government Act 2002.

 - k Minimum flow and allocation limit for surface and groundwater bodies in Whaitua Kāpiti
 - l Primary contact monitoring sites
 - m How territorial authorities can promote positive effects for the health and wellbeing of freshwater and receiving environments.
- 7.3 Consider, in developing the Whaitua Kāpiti WIP, the following:

 - c A diversity of systems of values and knowledge, including mātauranga Māori
 - d The impacts of climate change
 - e The impacts of stormwater and wastewater
 - f The impacts of urban development

¹⁹ This is to provide locally appropriate direction for how Te Mana o te Wai is applied in freshwater management.

- g Interactions between groundwater and surface water
- h Interactions of freshwater with estuaries and other coastal environments
- i The requirements of other national direction.
- a Te Tiriti o Waitangi
- b Resource Management Act 1991
