**MAY IT PLEASE THE PANEL:**

1. This memorandum is filed on behalf of Winstone Aggregates. Counsel respectfully requests a very short extension (2 days) for the filing of planning evidence on Hearing Stream 4 - Integrated Management Chapter. Winstone Aggregates is a submitter on that Chapter. This evidence was due to be filed by 5pm Friday 15<sup>th</sup> September 2023.
2. Regrettably (through no fault of Winstone) counsel diarised the date for submitter evidence incorrectly and has missed this date. Counsel sincerely apologises for this error. Winstone's planner Ms Clarke is currently preparing a short brief of planning evidence which will be filed by the end of today (5.00 pm 19 September).
3. A short extension is sought from the Panel to allow this to occur. Given the very short delay it is not anticipated that there is any prejudice arising to any party from this request.
