Raw submission points

These are submission points that were lodged as part of an online submission. They have not been summarised.

Raw sub point number	Provision	Support/oppose	Decision sought	Reasons
S232.1	3.6 Water quality	Oppose	I would like to see all progress stopped on the Plan Change until the current Government has implemented their policies around the Natural Resources Plan. It would be wasteful, immoral and negligent for the GWRC to spend rate payer funds on a plan that will most likely be changed. The current governments policy's need to be implemented not the last governments who were voted out of making decisiions for New Zealand.	As Above the Plan Change was implemented by a Government that is no longer in charge of New Zealand and therefore should not be actioned upon.
