  - a) 13 October 2023
  - b) 15 December 2023; and
  - c) 8 March 2024.
5. At the WMSB wānanga on 13 October 2024:
  - a) the four members appointed by the Trustees of the NKKWTNRT were asked to put forward a nomination for the chairperson for the wānanga.

  - c) the WMSB membership as a whole agreed to Haami Te Whaiti being appointed as the WMSB chairperson for the wānanga.
6. The members appointed by the Trustees of the NKKWTNRT remain in support of Haami Te Whaiti being the chairperson for the WMSB.
7. The Joint Redress Act provides no guidelines on the term of the chairperson.
8. It is proposed that the WMSB considers appointing the chairperson to a three-year term.

### **Acting Chairperson**

9. There is no provision under the Joint Redress Act to appoint a permanent deputy chairperson.

### Terms of members

6. The Joint Redress Act provides for three-year terms for members who may be appointed, reappointed, or discharged at the discretion of the appointer.<sup>4</sup>
7. The terms of the four appointees of NKKWTNRT plus the alternative and the two Minister of Conservation appointees expire in 2026. The NKKWTNRT will create a sustainable iwi-based approach with continuity in the initial setup of the WMSB.
8. There may be different terms for the other four appointees who may serve two-year terms initially as RTMR; Wellington Regional Council and South Wairarapa District Council members have elections at their respective agencies in 2025. The terms of these four members expire in 2025, if they are:
  - a) either: not re-elected;
  - b) or: are re-elected but not re-appointed to the WMSB.
9. The different expiry dates enable a staged induction processes for new members as the Statutory Board will:
  - a) welcome around half of the new WMSB members, at any one time; and
  - b) maintain a pool of institutional knowledge and experience of the WMSB at all times.

## **Te tāhū kōrero**

### **Background**

- 2. The Te Rohe o Rongokako Joint Redress Act 2022 (Joint Redress Act) provides detail of the procedures and meetings of the WMSB<sup>1</sup> that:
  - a) stipulates at the WMSB's first meeting, it must agree on a schedule of meetings;<sup>2</sup> and
  - b) requires the WMSB to hold an annual planning meeting each year.<sup>3</sup>

## **Te tātaritanga**

### **Analysis**

#### **Meeting schedule 2024/2025**

- 3. It is proposed that the WMSB has planned meetings on a quarterly basis. This enables adequate time for those supporting the operations of the WMSB to undertake work commissioned by the WMSB in preparation for planned decision-making meetings.
- 4. It is proposed that the WMSB confirms Friday as the set day for all planned meetings, workshops and wānanga. To date this approach has suited the current members of the WMSB. This approach recognises the constraints that impact on members' attendance which includes:

<sup>1</sup> Section 52 [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 52 Procedures and meetings of Statutory Board – New Zealand Legislation](#)

<sup>2</sup> Section 52(3)(b) [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 52 Procedures and meetings of Statutory Board – New Zealand Legislation](#)

<sup>3</sup> Section 118 [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 118 Annual planning meeting of Statutory Board – New Zealand Legislation](#)

- a) the general availability of Ngāti Kahungunu ki Wairarapa Tāmaki nui a Rua Settlement Trust (NKKWTNRT) and Rangitāne Tū Mai Rā (RTMR) representatives and the Minister of Conservation appointees; and
  - b) Greater Wellington Regional Council appointees are generally unavailable on Tuesdays and Thursdays due to council and committee meetings; and
  - c) South Wairarapa District Council appointees are generally unavailable on Tuesday and Wednesdays due to council and committee meetings.
5. It is proposed that the WMSB considers the following dates for planned meetings from 1 June 2024 to 30 June 2025:
- a) Quarter 4: Friday 7 June 2024
  - b) Annual planning meeting: Friday 16 August 2024
  - c) Quarter 1: Friday, 13 September 2024
  - d) Quarter 2: Friday 13 December 2024
  - e) Quarter 3: Friday 14 March 2025
  - f) Quarter 4: Friday 13 June 2025.
6. It is proposed that the WMSB considers the following dates for quarterly workshops two weeks in advance of each planned meetings from 1 June 2024 to 30 June 2025.
- a) Quarter 4: Friday 24 May 2024
  - b) Quarter 1: Friday, 30 August 2024
  - c) Quarter 2: Friday 29 November 2024
  - d) Quarter 3: Friday 28 February 2025
  - e) Quarter 4: Friday 30 May 2025.
7. This will enable draft Board Report issues to be discussed at a workshop in preparation for WMSB meetings. Any amendments required will be made prior to the distribution of the final Board pack to members at least 5 business days before a planned meeting.
8. Under the Local Government Official Information and Meetings Act 1987 (LGOIMA), all WMSB meetings are open public meetings, but wānanga or workshops are not.
9. For all WMSB meetings, there may be some agenda items that are public excluded, either in whole or in part. These items must meet the LGOIMA grounds for public exclusion (eg commercially sensitive information). This process enables Board members to wānanga on such issues.
10. In addition to these planned meetings, a special meeting of the WMSB may at any time be convened by the chairperson, and the chairperson shall call a special meeting whenever requested to do so in writing by two (2) members of the board.

### **Venues and hosting responsibilities**

11. It is proposed that the WMSB considers:
- a) holding all wānanga at a marae.
  - b) Holding all workshops online.

- c) adopting a rostered meeting schedule for each appointer agency to host one WMSB meeting on an annual basis.
- 12. Using agency offices provides flexibility in managing the Local Government Officials Information and Meetings Act (LGOIMA) obligations associated with having the media and members of the public in attendance.
- 13. In the first instance, the NKKWTNRT has confirmed they will host the 22 March 2024 inaugural Board meeting at their offices, Level 4, Departmental Building 35-37 Chapel Street, Masterton.

### **Ngā Whakaarohanga**

#### **Considerations**

### **Ngā hua ahumoni**

#### **Financial implications**

- 14. There are costs for wānanga that are marae based.
- 15. There are no costs associated with any online workshops.
- 16. The host agency will pay for the costs incurred in holding one planned quarterly meeting on an annual basis.
- 17. The costs of all members fees for attending WMSB meetings, workshops and wānanga are covered by their respective appointer body.

### **Ngā Mōrea me Ngā Whakangāwaritanga**

#### **Risks and Mitigations**

- 18. There are no risks associated with this paper.

### **Te huritao ki te huringa o te āhuarangi**

#### **Consideration of climate change**

- 19. There are no climate change implications arising from this report.

### **Te whakatūtakitaki**

#### **Engagement**

- 20. External engagement is not considered necessary for this report.

### **Ngā tūāoma e whai ake nei**

#### **Next steps**

- 21. The next steps are to develop a roster of appointer agency hosting responsibilities.

# WAIRARAPA MOANA STATUTORY BOARD

**Board Meeting**  
**22 March 2024**  
**Report 2024.4**

## **For Decision**

### **LEGAL ADVICE AND INDEMNITY INSURANCE**

#### **Te take mō te pūrongo**

##### **Purpose**

1. To seek agreement to commission legal advice and indemnity insurance services for the Wairarapa Moana Statutory Board (WMSB).

#### **He tūtohu**

##### **Recommendations**

That the Wairarapa Moana Statutory Board:

- a. **Agrees** to commission independent legal advice services;
- b. **Agrees** to commission initial independent legal advice on whether:
  - i. any conflict exists between the liability provisions and what if any action should be taken to mitigate the risks;
  - ii. indemnity insurance cover is required for the Wairarapa Moana Statutory Board as a collective; and
- c. **Agrees** to commission indemnity insurance services.

#### **Te tātaritanga**

##### **Analysis**

2. The WMSB members are individually and collectively liable for all WMSB decisions.

##### **Legal advice**

3. It is proposed that the Statutory Board commissions its own independent legal advice to provide expert analysis and speak directly to the legal opportunities, challenges, and risks of the environment that the WMSB operates within.
4. As a first step, the WMSB will need to identify the criteria to select this important service. The next wānanga of the Board provides an opportunity to determine the due diligence needed to ensure the Board makes informed decisions on the preferred approach.

5. As background, potential considerations for the WMSB to discuss at the next wānanga are:
  - a) the potential use of an existing legal service that an appointer agency already commissions. The advantages of this approach include building on the 'tried and true' existing knowledge, experience, history and trust of known experts in their field. A particular disadvantage is the perceived or actual conflict of interest if a legal firm is providing advice on a specific issue to one appointer agency and to the collective WMSB on the same issue, at the same time. If this approach is favoured, the WMSB's due diligence must consider if and how these concerns could be mitigated within the legal advisor's organisation to protect the integrity of the advice.
  - b) alternatively, the WMSB may consider that all existing legal services associated with appointer agencies should be taken off the table. The main advantage of this approach is it addresses all of the potential conflict of interests concerns of Option One. The main disadvantage is potentially excluding up to five legal firms who are proven experts in their field and are at the top of their game, in favour of others who are unknown.

#### **Indemnity insurance advice**

6. At its workshop on 13 October 2023, the WMSB discussed the potential conflict between of the Te Rohe o Rongokako Joint Redress Act 2022 (TRoRJR) provisions on the lack of liability of individual members of the Board compared to those of the whole Statutory Board.
7. Specifically, TRoRJR provisions at section 52<sup>1</sup> point to 's34 of the Reserves Act 1977 which covers the WMSB and states *'The members of any board shall not be personally liable for any act done or omitted to be done in good faith in the course of the operations of the board or for any debt or other liability lawfully incurred by the board.'*<sup>2</sup>
8. However, the TRoRJR provisions at Section 114 describe particular circumstances when liabilities do and do not apply to the WMSB as a whole.

*'The Statutory Board, or a group of joint redress trustees, is liable for—*

- a) *any damage or contamination that arises in relation to a Wairarapa Moana reserve from its intentional, reckless, or negligent act or failure to act; and*
- b) *remediating any further damage to, or contamination of, a Wairarapa Moana reserve that arises because its act or failure to act worsens any damage or contamination that existed immediately before the settlement date.*

*The Statutory Board is not liable for—*

- a) *an existing improvement for which it would, apart from this section, be liable because it is the administering body of a Wairarapa Moana reserve; or*

<sup>1</sup> Section 52 [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 52 Procedures and meetings of Statutory Board – New Zealand Legislation](#)

<sup>2</sup> Section 34 [Reserves Act 1977 No 66 \(as at 23 December 2023\), Public Act 34 Members of boards not personally liable – New Zealand Legislation](#)

b) *the waters or aquatic life of, or the plants attached to the bed of a body of water in, a Wairarapa Moana reserve.*

*In all other respects, the Statutory Board is liable for all Wairarapa Moana reserves as if it were the owner of each reserve.*<sup>3</sup>

9. It is proposed that the Statutory Board commissions independent legal advice on whether:
  - a) any conflict exists between the liability provisions and what if any action should be taken to mitigate the risks; and
  - b) indemnity insurance cover is required for the Statutory Board as a collective.
10. If the legal advice confirms there is a need for indemnity insurance cover, it is proposed that the Board commissions those services in the short term.
11. In addition, TRoRJR provides for contingencies if the Statutory Board considers that it is unable to meet any liability it has in respect of a Wairarapa Moana reserve, it may request assistance from the Crown.<sup>4</sup>

## **Ngā Whakaarohanga Considerations**

### **Ngā hua ahumoni Financial implications**

12. There are financial considerations regarding indemnity insurance cover and the WMSB will need to make decisions on how that insurance is funded.

### **Ngā Mōrea me Ngā Whakangāwaritanga Risks and Mitigations**

13. There are risks if there are undue delays in commissioning indemnity insurance cover for the Board now that the WMSB is in its establishment phase.

### **Te huritao ki te huringa o te āhuarangi Consideration of climate change**

14. There are no climate change implications arising from this report.

### **Te whakatūtakitaki Engagement**

15. External engagement is not considered necessary for this report.

<sup>3</sup> Section 114 [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 114 Liability of Statutory Board and trustees – New Zealand Legislation](#)

<sup>4</sup> Section 116(1) [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 116 Assistance towards liability of Statutory Board – New Zealand Legislation](#)

## Ngā tūāoma e whai ake nei

### Next steps

16. The next steps are to:

- a) discuss the due diligence required in commissioning independent legal services at the next wānanga of the Board;
- b) commission indemnity insurance services.

1. To approve the setup of a Wairarapa Moana Statutory Board bank account, including confirming the authorising bodies for payments, and confirming the financial year and independent auditor.

#### **He tūtohu**

##### **Recommendations**

That the Wairarapa Moana Statutory Board:

- a. **Agrees** to open a bank account for the Wairarapa Moana Statutory Board to receive funds to support the development and implementation of the Wairarapa Moana document;
- b. **Agrees** that the Department of Conservation, Rangitāne Tū Mai Rā Trust, and Ngāti Kahungunu ki Wairarapa Tāmaki nui-ā-Rua Settlement Trust are the authorising bodies for payments;
- c. **Agrees** that the Wairarapa Moana Statutory Board's financial year is 1 July to 30 June;
- d. **Agrees** that an independent auditor be appointed for a term of 3 years, at which time a new auditor will be appointed.

#### **Te tāhū kōrero**

##### **Background**

2. It is proposed that the Wairarapa Moana Statutory Board (WMSB) opens a bank account as the first step in establishing the basic business systems required to deliver the Statutory Board's services and activities.
3. It is proposed that the WMSB considers which Auditor services it will commission to deliver the WMSB's annual audited account reports as required.
4. It is proposed that the Wairarapa Moana Statutory Board's financial year is 1 July to 30 June.

## **Te tātarianga Analysis**

5. The Department of Conservation (DOC), Rangitāne Tū Mai Rā Trust (RTMR) and Ngāti Kahungunu ki Wairarapa Tāmaki nui-ā-Rua Settlement Trust (NKKWTNRT) either own land reserves included in the Wairarapa Moana Statutory Board (WMSB) and the lakebed itself, therefore have a vested interest in the financial management of the WMSB.
6. The RTMRT and NKKWTNRT negotiated funding of \$5,000,000.00 with the Crown under their settlements. This funding still sits with the Crown, with both the NKKWTNRT and RTMRT being required to open a joint bank account for the money to be deposited into, and subsequently deposited into the WMSB bank account.
7. The use of the funding is yet to be determined by the WMSB.
8. In 2022, the Ministry for the Environment provided new Crown funding to the NKKWTNRT, RTMRT and Wellington Regional Council, South Wairarapa District Council, Masterton District Council and Carterton District Council all of whom are members of the Committee for natural resources.
9. Wellington Regional Council and Masterton District Council have confirmed the intent to transfer their funding to the WMSB bank account. Each council has outlined some provisions of its use.
10. WMSB will establish financial management structures and systems and an annual budget that will be an integral part of the annual operational management plan for the board to track financial performance. This will be included in the role of the secretariat to act on behalf of the WMSB once the function has transferred.

# WAIRARAPA MOANA STATUTORY BOARD

**Board Meeting**  
**22 March 2024**

**Report 2024.6**

**For Decision**

## **WAIRARAPA MOANA DOCUMENT**

### **Te take mō te pūrongo**

#### **Purpose**

1. To approve the development process for the Wairarapa Moana Document.

### **He tūtohu**

#### **Recommendation**

That the Wairarapa Moana Statutory Board:

- a) **Agrees** that the preferred approach to prepare and approve the overarching vision, and statement of desired outcomes, for Wairarapa Moana is to:
  - i. commission a project manager to develop and implement a plan to work with Board members and redress hapū in developing the draft overarching vision, and statement of desired outcomes, for Wairarapa Moana;
  - ii. organise a series of wānanga on the overarching vision, and statement of desired outcomes.
- b) **Notes** that kawa and tikanga developed by Ngāti Kahungunu ki Wairarapa Tāmaki nui a Rua Settlement Trust and Rangitāne Tū Mai Rā Trust are included in the Rules of Procedure and Terms of reference documents;

### **Te tāhū kōrero**

#### **Background**

##### **Wairarapa Moana Document**

2. The Te Rohe o Rongokako Joint Redress Act 2022 (TRoRJR) provides for the development of the Wairarapa Moana Document which has 3 parts:
  - a) an overarching vision, and statement of desired outcomes, for Wairarapa Moana (overarching vision);
  - b) a reserves management plan for the Wairarapa Moana reserves (reserves plan);
  - c) a natural resources document for the Ruamāhanga River catchment (natural resources document).

3. The Wairarapa Moana Statutory Board's (WMSB) functions in relation to the 3 parts of the Wairarapa Moana document are:
  - a) to prepare and approve the overarching vision, for Wairarapa Moana;
  - b) be consulted on the preparation of the reserves plan for the Wairarapa Moana reserves and to submit it to the Minister of Conservation for approval;
  - c) approve the natural resources document for the Ruamāhanga River catchment.<sup>1</sup>

### **Kawa and Tikanga**

4. The WMSB recognises the kawa and tikanga developed by Ngāti Kahungunu ki Wairarapa Tāmaki nui a Rua Settlement Trust and Rangitāne Tū Mai Rā Trust which are included in the Terms of Reference (ToR). The WMSB will include kawa and tikanga as they develop and make decisions over time. Refer to the WMSB Rules of procedure or the Terms of Reference for a copy of the slides.

### **Te tātaritanga**

#### **Analysis**

5. Its important to note, that where it is employed the word 'must', unless otherwise stated, identifies a mandatory legislative requirement.
6. The TRoRJR provisions have a significant number of 'must' obligations which have mandatory legislative weight.

#### **Overarching Vision and Desired Outcomes Document**

7. The overarching vision must recognise and provide for the cultural, spiritual, and ecological values of Wairarapa Moana.<sup>2</sup> It is anticipated that this document will provide the high-level strategic direction of the WMSB.
8. Under the TRoRJR, the WMSB must undertake a first review of the overarching vision no later than 10 years after it is approved as the final document. Each subsequent review must start no later than 10 years after the previous review ended. At the end of each review the WMSB must decide whether the document should be amended.<sup>3</sup>

#### **Planning**

9. The TRoRJR established the WMSB as a co-governance model with a 50/50 membership split between the redress iwi of NKKWTNRT and RTMR and the combined DoC and participating councils' memberships.
10. The NKKWTNRT negotiators recognised the importance of the WMSB arrangements and were successful in securing the independent Statutory Board co-governance arrangement which is arms distant from the Crown and Councils.

<sup>1</sup> Section 77 [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 77 Document has 3 parts – New Zealand Legislation](#)

<sup>2</sup> Section 80 [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 80 Requirements for overarching vision and desired outcomes document – New Zealand Legislation](#)

<sup>3</sup> Section 86 [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 86 Review and amendment of overarching vision and desired outcomes document – New Zealand Legislation](#)

11. As signalled above, of the three key documents that make up the Wairarapa Document, the WMSB's primary planning responsibility is to prepare and approve the overarching vision, for Wairarapa Moana.
12. The TRoRJR confirms the strategic importance of the overarching vision document through its delegation provisions. The WMSB may delegate to a committee of the Statutory Board any function, power, or duty it has under sections 81 to 86, except its power to approve the final overarching vision and desired outcomes document.<sup>4</sup>
13. At its workshop on 8 March 2024, Board members shared their desire to be actively involved in developing the draft Overarching Vision for Wairarapa Moana rather than delegate the process to others. This approach enables the WMSB to lead the hard work required to develop a clear vision that represents the aspirations of the redress hapū.
14. It is proposed that the WMSB commissions a project manager to work with the Board in developing and implementing a plan to design the draft overarching vision document which includes:
  - a) organising planned wānanga with Board members;
  - b) identifying key deliverables with milestone dates of the required products and services, the public notified and written submission processes, and determining if a hearing will be required.

#### **Public notification process**

15. The Wairarapa Moana Document is to include a public notification process.<sup>5</sup>
16. The hapū of the joint redress iwi will help influence and shape the overarching vision through the settlement trusts, given the importance of the settlement redress.

#### **Written submissions**

17. Under the TRoRJR, the WMSB must consider written (including electronic) submissions received on the overarching vision document.<sup>6</sup>
18. Public notification processes encourage written and electronic submissions and enable meaningful whānau, hapū, iwi and the public input into the decision-making processes. This communication can be an early warning system of concerns, a means of disseminating accurate and timely information and contributing to sustainable decision-making. The disadvantages include the potential for added cost and time-delays.<sup>7</sup>
19. Councils and Department of Conservation (DoC) staff have signalled from their collective experience of managing publicly notified documents that this process takes time and requires careful planning. As a conservative estimate, staff suggest it will take 1-2 years to complete the overarching vision document publicly notified processes including written submissions.

## Hearing

20. Under the TRoRJR, the WMSB has discretion on whether it will have a hearing for the overarching vision document.<sup>8</sup>
21. The WMSB will seek the views of the hapū of the joint redress iwi on whether they want to participate in a hearing in addition to, or instead of participating in the written submission process.
22. If a hearing isn't supported, then written submissions provide a broad picture of what hapū and the public do and do not support in the draft overarching vision.
23. It is proposed that the WMSB considers agreeing to a hearing process if hapū of the joint redress iwi support this approach.

## Committee for Natural Resources

24. In performing its functions, the WMSB has a committee for natural resources, (the Committee),<sup>9</sup> which is not a council organisation or a council-controlled organisation for the purposes of the Local Government Act 2002.<sup>10</sup>
25. The members of the Committee do not have to be, nor are they all, members of the WMSB.<sup>11</sup> The members comprise:
  - a) 2 members appointed by the trustees of the NKKWTNRT; and
  - b) 2 members appointed by the trustees of the RTMRT; and
  - c) 1 member appointed by Wellington Regional Council; and
  - d) 1 member appointed by South Wairarapa District Council; and
  - e) 1 member appointed by Masterton District Council; and
  - f) 1 member appointed by Carterton District Council.<sup>12</sup>
26. The Masterton District Council and Carterton District Council representatives join the appointer agency members of this committee to help develop the natural resources document.
27. In addition, the appointer of 1 or more members of the Committee, may appoint 1 or more alternative members for those 1 or more members. An alternative member may attend a meeting and do everything that the member could do at the meeting, if the member is unable to attend.<sup>13</sup>

<sup>13</sup> Section 68(1)&(2) [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 68 Alternative members of Statutory Board or committee for natural resources – New Zealand Legislation](#)

## **Purpose of the Committee**

28. Under the TRoRJR, the Committee must prepare a draft natural resources document and submit it to the WMSB for approval.<sup>14</sup>
29. The Committee must facilitate the same inclusive approach as the WMSB in developing the overarching vision document. Specifically, the process must encourage the participation of—
  - a) the hapū of the joint redress iwi; and
  - b) any other persons and organisations as the committee considers appropriate.<sup>15</sup>

## **Overview of Natural Resources Document**

30. The natural resources document must identify the WMSB's issues, values, vision, objectives, and desired outcomes for sustainable management of natural resources in the Ruamāhanga River catchment, to the extent that they relate to the health and well-being of Wairarapa Moana or the Ruamāhanga River catchment.<sup>16</sup>
31. The natural resources document must identify matters that provide leadership on the sustainable management of the Ruamāhanga River catchment in a way—
  - a) that promotes the restoration, protection, and enhancement of the social, economic, cultural, environmental, and spiritual health and well-being of Wairarapa Moana and the Ruamāhanga River catchment; and
  - b) that is consistent with the overarching vision document.<sup>17</sup>
32. The TRoRJR refers to the original Ruamāhanga Catchment, not the current Catchment.
33. The natural resources document must not contain rules or regulatory methods.<sup>18</sup>

## **Public notice of draft natural resources document**

34. Like the overarching vision document, the WMSB must implement a publicly notified process for the natural resources document. No later than 3 months after the date it approves the draft natural resources document the WMSB—
  - a) must give public notice of the draft document; and
  - b) must ensure that the draft document, and any other document it considers relevant, are available for public inspection.<sup>19</sup>

<sup>14</sup> Section 91(1)&(3) [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 91 Preparation of draft natural resources document – New Zealand Legislation](#)

<sup>15</sup> Section 91(2) [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 91 Preparation of draft natural resources document – New Zealand Legislation](#)

<sup>16</sup> Section 90(1) [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 90 Requirements for natural resources document – New Zealand Legislation](#)

<sup>17</sup> Section 90(2a, b) [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 90 Requirements for natural resources document – New Zealand Legislation](#)

<sup>19</sup> Section 92(1) [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 92 Public notice of draft natural resources document – New Zealand Legislation](#)

### Written submissions and hearing

35. Under the TRoRJR, both the WMSB and the Committee have shared obligations for the natural resources document.
36. The WMSB must provide the written (including electronic) submissions received on the draft natural resources document to the committee for natural resources.<sup>20</sup>
37. The committee's obligations are to—
  - a) consider the submissions to the extent that they are consistent with the requirements for the natural resources document; and
  - b) advise the WMSB of the key issues arising from the submissions; and
  - c) advise the WMSB of whether it recommends a hearing.<sup>21</sup>
38. The WMSB must consider the advice and then may, at its discretion arrange a hearing at a place and time specified by the WMSB.<sup>22</sup>
39. Refer to paragraph 19 of this report for the concerns about the potential costs and delays of running a public notification process that could last 1-2 years.
40. The WMSB will receive more advice on this process at a later date.

### Crown funding for the natural resources document

41. Initially, the Ngāti Kahungunu ki Wairarapa Tāmaki nui a Rua Deed of Settlement confirmed that the Crown would provide \$500,000 to the Wellington Regional Council as a one-off contribution to the costs of preparing a publicly notified natural resources document. Wellington Regional Council would hold the fund as a separate, identifiable ledger item. The funds would be spent as directed by the Wairarapa Moana Statutory Board for the preparation and public notification of the natural resources document.<sup>23</sup>
42. In December 2022, Te Arawhiti considered the appointer agency staff feedback that the existing funding was inadequate. The Crown confirmed a significant increase in the revised contribution toward the costs associated with the establishment of the Wairarapa Moana Statutory Board and the implementation of the Wairarapa Moana Framework.
43. In lieu of the previously agreed \$500,000 to go to Wellington Regional Council, the funding was increased to a one-off contribution of \$3,397,310 in total allocated proportionally to each of the appointer agencies on the committee for establishing and implementing the natural resources redress.<sup>24</sup>

## Overview Reserves Management Plan

44. Under the TRoRJR, the Director-General of DoC and the trustees of the NKKWTNRT must prepare the draft reserves management plan in consultation with the Statutory Board.<sup>25</sup>
45. The reserves management plan must be consistent with—
  - a) the overarching vision document; and
  - b) the conservation legislation; and
  - c) the TRoRJR.<sup>26</sup>
46. The reserves management plan must be prepared, approved, and subsequently reviewed in accordance with section 41 of the Reserves Act 1977 which includes:
  - a) Before preparing a management plan for any 1 or more reserves under its control, the WMSB shall—
    - i. give public notice of its intention to do so; and
    - ii. in that notice, invite persons and organisations interested to send to the administering body at its office written suggestions on the proposed plan within a time specified in the notice; and
    - iii. in preparing that management plan, give full consideration to any such comments received.<sup>27</sup>
47. The WMSB has the discretion to combine the processes related to giving public notice of, and seeking and considering submissions on, the drafts of 2 or more of the 3 parts of the Wairarapa Moana document.<sup>28</sup>

## Statutory Board is the administering body of a Wairarapa Moana reserve

48. The WMSB is the administering body of a Wairarapa Moana reserve for the purposes of the Reserves Act 1977, and is responsible for granting any interest over or authorising any use of the reserve, as provided in subsection (2) and sections 104 to 106.<sup>29</sup>
49. The TRoRJR points to references for specific authorisation obligations under the Reserves Act 1977.<sup>30</sup> This includes the relevant reference for the WMSB obligations associated with the management of fauna around Wairarapa Moana that includes the culling of geese.<sup>31</sup>

50. The WMSB must consult with the owners of a Wairarapa Moana reserve before granting an interest in land over the reserve.<sup>32</sup> The reserves are divided into three categories:
- a) those wholly owned by the trustees of NKKWTNRT; and
  - b) those wholly owned by the Crown; and
  - c) those partly owned by the joint redress trustees and the Crown.

### **Fishing in Wairarapa Moana reserves**

51. Under the TRoRJR, the Minister of Conservation and the Statutory Board have separate powers associated with the taking and killing of any fish.
52. The Minister of Conservation may authorise the taking and killing of any fish within any Wairarapa Moana reserve for commercial purposes.<sup>33</sup>
53. The Minister may grant authorisation—
- a) only on the recommendation of the WMSB; and
  - b) subject to any conditions but must consider any recommendations for conditions from the WMSB.<sup>34</sup>
54. The WMSB may authorise the taking and killing of any fish within any Wairarapa Moana reserve for purposes other than commercial purposes.<sup>35</sup>
55. The WMSB may grant authorisation subject to any conditions and must impose conditions (if any) that the Wairarapa Moana considers necessary to achieve the purpose of the WMSB.<sup>36</sup>

### **Ngā Whakaarohanga Considerations**

56. The WMSB including the members of the Natural Resources Committee are required to understand the TRoRJR in relation to the Wairarapa Moana Document in its entirety.
57. The Wairarapa Moana Document gives the opportunity for Wairarapa (as a whole) to create a working framework that is beneficial for all Wairarapa, that upholds the mana of all and ultimately the Wairarapa.

- 3) Since then, the Local Government Official Information and Meetings Act 1987 (LGOIMA) provisions have been added to the attached version of the RoP that the Statutory Board is asked to adopt. Refer to Attachment One.
- 4) On 8 March 2024, Mihiarangi Piripi, Tumuaki Whakarae, Managing Director Whaia Legal led discussions with Board members on how the Reserves Act work of the Statutory Board is subject to LGOIMA.

### Kawa and Tikanga

- 5) The WMSB recognises the kawa and tikanga developed by Ngāti Kahungunu ki Wairarapa Tāmaki nui a Rua Settlement Trust and Rangitāne Tū Mai Rā Trust which are included in the RoP. The WMSB will include kawa and tikanga as they develop and make decisions over time. Refer to the WMSB Attachment One Rules of Procedure for a copy of the slides.

### Rules of Procedure

- 6) Its important to note, that where it is employed the word ‘must’, unless otherwise stated, identifies a mandatory legislative requirement.
- 7) The Te Rohe o Rongokako Joint Redress Act 2022 (TRoRJR) provisions have a significant number of ‘must’ obligations which have mandatory legislative weight associated with the legislative obligations cited in the RoP.
- 8) Under the TRoRJR, the Wairarapa Moana Statutory Board (WMSB) must adopt the Rules of Procedure (RoP) at its first meeting.<sup>1</sup>
- 9) The RoP sets out detailed information on how the WMSB conducts its meetings, to enable the exercise of decision-making responsibilities in a transparent, inclusive, and lawful way primarily under the:
  - a) Joint Redress Act procedures and meetings of WMSB;<sup>2</sup>
  - b) The Local Government Official Information and Meetings Act 1987 (LGOIMA).
- 10) The RoP must include rules on how the WMSB and the appointers of the WMSB’s members will agree the **annual operational management programme**.<sup>3</sup>

## Meeting Guidance

- 11) The RoP describes the obligations associated with public participation at WMSB meetings under LGOIMA. The provisions are detailed on how this participation must be managed.
- 12) This includes the requirement for WMSB meetings to be managed within specific parameters and meetings must be:
  - a) open to the public, unless there are grounds under LGOIMA for any particular matter to be dealt with when the public is excluded; and
  - b) advertised through public notices published in newspapers within specific guidelines.
- 13) The RoP highlights the WMSB's obligations associated with public exclusion. Refer to Appendix A: Grounds to exclude public from meetings and Appendix B: Example resolution to exclude the public.
- 14) The RoP summarises information on the steps involved in making WMSB decisions. This guidance enables transparent processes from initiating a motion until the final resolution is either carried or lost. This process is fundamental to effective management of the meetings of the WMSB. Refer to the ready reference flow chart of WMSB decision making processes at Appendix C: Flow chart of motions and amendments.
- 15) The RoP should be read in conjunction with the Terms of Reference (ToR) document which provides the context for the WMSB's meetings.

## Te tātaritanga Analysis

### LGOIMA

- 16) The WMSB recognises that it is subject to LGOIMA.
- 17) As background, the Board has received two separate, independent sets of legal advice that confirms the WMSB's obligations under the Reserves Act 1977 mean the WMSB is subject to LGOIMA.
- 18) In summary:
  - a) *the WMSB's functions include acting as the administering body for any specified Wairarapa Moana reserve for the purposes of the Reserves Act 1977; and*
  - b) *An administering body is defined in the Redress Act in accordance with the meaning given in section 2(1) of the Reserves Act 1977; and*
  - c) *LGOIMA applies to "local authorities". The entities or categories of entity considered to be "local authorities" are listed in Schedule 1 of LGOIMA. This includes:*
  - d) *Administering bodies of reserves as defined in section 2(1) of the Reserves Act 1977*

e) *On the face of it, therefore, the WMSB is a “local authority” for the purposes of LGOIMA and subject to both the official information and meetings provisions in that Act.*<sup>4</sup>

- 19) Under section 66 of TRoRJR, the WMSB has the power to hold its meetings online. As the WMSB is subject to LGOIMA, one consequence of such action is that these meetings must be made accessible to members of the public. This will require careful planning and resourcing to ensure the WMSB meets its obligations in this area.

#### **Managing LGOIMA requests for information**

- 20) It is proposed that the WMSB considers what is the preferred approach to manage LGOIMA requests. In this regard it is proposed that that in the event that an appointing body to the WMSB under section 47 of the TRoRJR receives a request for official information that relates to the WMSB, and that appointing body is subject to the Official Information Act 1982 or the LGOIMA<sup>5</sup>, that body shall consult with the other appointing bodies in order to determine which body should respond to the request for information.
- 21) It is proposed that appointer agencies advise their respective LGOIMA functions of the preferences in managing any requests associated with the WMSB.

#### **Meetings conducted in multiple languages**

- 22) In Aotearoa, there are two languages which have special status under the law as official languages:
- a) Te reo Māori – the Māori language (refer Māori Language Act 1987<sup>6</sup>, repealed in 2016 with updated provisions); and
  - b) New Zealand Sign Language (refer New Zealand Sign Language Act 2006).
- 23) English is recognised as a de facto official language of New Zealand.<sup>7</sup>
- 24) The RoP recognises the obligations of the WMSB in recognising the status of official languages.
- 25) It is proposed that guidelines are designed to support WMSB members to participate fully in real time at WMSB meetings where business may be conducted in more than one language (e.g. te reo Māori, NZ sign language).
- 26) Issues to consider include:
- a) A member may conduct meeting business in te reo Māori or New Zealand Sign Language. A Chairperson may require that a speech is translated and printed in English and provided in advance.
  - b) If a member intends to address the meeting in New Zealand Sign Language, or in te reo Māori, when the normal business of the meeting is conducted in English and where an informal summary in English of what is spoken is not provided, they must give prior notice to the Chairperson not less than two (2) working days before the

## 2 Background

The Rules of Procedure (RoP) set out detailed information on how the Wairarapa Moana Statutory Board (WMSB) conducts its meetings, to enable the exercise of decision-making responsibilities in a transparent, inclusive, and lawful way primarily under the:

- Te Rohe o Rongokako Joint Redress Act 2022 (TRoRJR); and
- Local Government Official Information and Meetings Act 1987 (LGOIMA).

The RoP sections include:

- Summary statements on the nature of obligations; and
- important legislative references in text boxes; and
- either: links to specific provisions of relevant statutes;
- or: unreferenced examples of best practice or practical conventions of behaviour.

It's important to note, that where it is employed the word 'must', unless otherwise stated, identifies a mandatory legislative requirement.

The Te Rohe o Rongokako Joint Redress Act 2022 (TRoRJR) provisions have a significant number of 'must' obligations which have mandatory legislative weight.

## 3 Application of the RoP

The RoP apply to all meetings of the WMSB, including public excluded sessions but do not apply to wānanga, workshops, briefings, or meetings of working parties and advisory groups. The RoP must not contravene any legislative provisions including the TRoRJR. In the event that these Rules are in conflict with legislation, the legislative provisions take precedence.

The Wairarapa Moan Statutory Board, or any committee of the Statutory Board, is not a council organisation or a council-controlled organisation for the purposes of the Local Government Act 2002.

Section 70(1), ([2\) Te Rohe o Rongokako Joint Redress Act 2022 No76, Public Act 52 Statutory Board or committee not organisation or committee of local authority](#))

The Statutory Board's functions also include acting as the administering body for any specified Wairarapa Moana reserve for the purposes of the Reserves Act.

Section 103 [Te Rohe o Rongokako Joint Redress Bill 98-2 \(2022\), Government Bill 103 Statutory Board is administering body of Wairarapa Moana reserves – New Zealand Legislation](#)

In the TRoRJR, the definition of an administering body points to the Reserves Act 1977.

[Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 8 Interpretation – New Zealand Legislation](#)

WMSB is subject to LGOIMA.

The Reserves Act definition is:

**administering body**, in relation to any reserve, means the board, trustees, local authority, society, association, voluntary organisation, or person or body of persons, whether incorporated or not, appointed under this Act or any corresponding former Act to control and manage that reserve or in which or in whom that reserve is vested under this Act or under any other Act or any corresponding former Act; and includes any Minister of the Crown (other than the Minister of Conservation) so appointed.

Part 2 (1) Interpretation [Reserves Act 1977 No 66 \(as at 23 December 2023\), Public Act 2 Interpretation – New Zealand Legislation](#)

LGOIMA applies to “local authorities”. The entities or categories of entity considered to be “local authorities” are listed in Schedule 1 of LGOIMA which includes: Administering bodies of reserves as defined in section 2(1) of the Reserves Act 1977 (other than a Minister of the Crown or a department).

[Local Government Official Information and Meetings Act 1987 No 174 \(as at 23 December 2023\), Public Act Schedule 1 Local authorities to which Parts 1 to 7 apply – New Zealand Legislation](#)

### **3.2 Members must adopt Rules of Procedure**

At its first meeting, the WMSB must adopt the RoP which must include how the WMSB and the appointers of the Statutory Board’s members agree to the **annual operational management programme**.

Section 52(3)(a), (4) [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 52 Procedures and meetings of Statutory Board – New Zealand Legislation](#)

#### **3.2.1 Amendment to the RoP**

For any procedure not covered, the WMSB may adopt any rule of procedure that is consistent with the TRoRJR and may at any time amend the RoP.

Section 52(5),(6) [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 52 Procedures and meetings of Statutory Board – New Zealand Legislation](#)

#### **3.2.2 Voting on Rules of Procedure**

Any voting to either adopt or amend the RoP must be made by the WMSB and requires a vote of not less than 75 % of the members who are present or are online and voting.

Section 54 (2) [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 54 Voting of Statutory Board – New Zealand Legislation](#)

#### **3.2.3 Compliance and flexibility on Rules of Procedure**

While WMSB members must comply with the RoP, they are typically only referred to when necessary and often some practical flexibility is applied in particular instances eg speaking rights at meetings. The RoP should be kept in mind and will prevail in any case of uncertainty or dispute. For clarity’s sake whenever a question about the interpretation or application of these Rules is raised, particularly where a matter might not be directly provided for, it is the responsibility of the Chairperson of each meeting to make a ruling.

#### **3.2.4 Procedures and meetings of Statutory Board**

The key procedures and meeting requirements of the WMSB apply to the Statutory Board as if it were a Board under the Reserves Act and with any necessary modifications, but only to the extent that is consistent with this Act:

- 1) An annual meeting of the board must be held within 2 months after the end of the financial year.
- 2) Other meetings shall be held as the board determines from time to time.
- 3) A special meeting of the board may at any time be convened by the chairperson, and the chairperson shall call a special meeting whenever requested to do so in writing by 2 members of the board:
  - a. provided that not less than 7 clear days’ notice of every special meeting and of the business to be transacted thereat shall be given to each member, and
  - b. no business other than that specified in the notice shall be transacted at any such meeting.

Section(32 (2) to (4 inclusive) [Reserves Act 1977 No 66 \(as at 24 August 2023\), Public Act 32 Meetings of boards – New Zealand Legislation](#)

#### **3.2.5 Annual planning meeting of Statutory Board**

The RoP must include rules for how the WMSB and the appointers of the Statutory Board's members are to agree to the annual operational management programme.

The Statutory Board must hold a planning meeting each year and at each planning meeting,—

- 1) the Statutory Board must determine its annual and multi-year priorities; and
- 2) the Statutory Board must agree with the appointers of the Statutory Board's members to a programme for the operational management of the Wairarapa Moana reserves and Wairarapa Moana marginal strips for the following year (the annual operational management programme); and
- 3) the Statutory Board, and the appointers of the Statutory Board's members, must report to each other on the implementation of their respective responsibilities under the annual operational management programme for the previous year; and
- 4) the appointers of the Statutory Board's members must agree on the administrative and technical support they will provide to the Statutory Board.

Section 118 [\*Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 118 Annual planning meeting of Statutory Board – New Zealand Legislation\*](#)

### **3.2.6 Review Rules of Procedure**

The WMSB will review the RoP every three years to ensure they remain fit for purpose and align with any new statutory obligations that enable new opportunities.

## **3.3 First meeting of the Board**

### **3.3.1 Business to be conducted**

The business to be conducted at the first meeting of the WMSB must include:

- a) Appoint a member to be the chairperson, and
- b) Adopt Rules of Procedure, and
- c) Agree on a schedule of initial meetings.

Section 52(3) [\*Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 52 Procedures and meetings of Statutory Board – New Zealand Legislation\*](#)

### **3.3.2 Election of Chairperson**

The members must elect the chairperson of the WMSB from among the 4 members appointed by the trustees of the Ngāti Kahungunu ki Wairarapa Tāmaki nui-a-Rua Settlement Trust.

Section 51 [\*Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 51 Chairperson – New Zealand Legislation\*](#)

### **3.3.3 Election of Acting Chairperson**

If the chairperson is not present at a meeting, the members who are present must elect to act as the chairperson for the meeting one of the members present who was appointed by the trustees of the Ngāti Kahungunu ki Wairarapa Tāmaki nui-a-Rua Settlement Trust.

Section 53(3) [\*Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 53 Quorum of Statutory Board – New Zealand Legislation\*](#)

### **3.3.4 Chairperson to preside at meetings**

The Chairperson of the WMSB or the person acting as the Chairperson must preside at each meeting of the WMSB at which he or she is present unless the Chairperson vacates the chair for a particular meeting.

### **3.4 Quorum at meetings**

#### **3.4.1 Requirement for a quorum**

A meeting of the WMSB is properly constituted if a quorum is present, whether or not all of the members are voting. At least a quorum must be present during the whole of the time at which the business is transacted at the meeting.

A quorum for a meeting of the WMSB is 6 members, comprising—

- a) the chairperson or a member who is acting as the chairperson (who must be a member appointed by the trustees of the Ngāti Kahungunu ki Wairarapa Tāmaki nui-a-Rua Settlement Trust); and
- b) at least 1 other member appointed by the trustees of the Ngāti Kahungunu ki Wairarapa Tāmaki nui-a-Rua Settlement Trust; and
- c) the member appointed by the trustees of the Rangitāne Tū Mai Rā Trust; and
- d) at least 3 members each of whom is appointed by an appointer other than joint redress trustees

Section 53(1)(2) &(4) [Te Rohe o Rongokako Joint Redress Act 2022 No 76, Public Act 53 Quorum of Statutory Board – New Zealand Legislation](#)

#### **3.4.2 Meeting in person or by electronic means**

A meeting of the Board, or a committee of the Board, may be held in either, or in a combination, of the following ways:

- a) by members meeting in person at the appointed time and place:

- b) To endanger the safety of any person

**A2** That the public conduct of the whole or the relevant part of the proceedings of the meeting would be likely to result in the disclosure of information where the withholding of the information is necessary to:

- a) Protect the privacy of natural persons, including that of deceased natural persons, or
- b) Protect information where the making available of the information:
  - i. Would disclose a trade secret, or
  - ii. Would be likely unreasonably to prejudice the commercial position of the person who supplied or who is the subject of the information, or
- c) in the case only of an application for a resource consent, or water conservation order, or a requirement for a designation or heritage order, under the Natural and Built Environment Act 2023, to avoid serious offence to tikanga Māori, or to avoid the disclosure of the location of wāhi tapu, or

- a) Be contrary to the provisions of a specified enactment, or

**A5** That the exclusion of the public from the whole or the relevant part of the proceedings of the meeting is necessary to enable the authority to deliberate in private on its decision or recommendation in:

- a) Any proceedings before the WMSB where:
  - i. A right of appeal lies to any Court or Tribunal against the final decision of the authority in those proceedings, or
  - ii. The authority is required, by any enactment, to make a recommendation in respect of the matter that is the subject of those proceedings; and

##### **Recommendation/s**

That the Wairarapa Moana Statutory Board:

- a) **Adopts** the Terms of Reference (Attachment);

- g) **Agrees** to review the Terms of Reference every three years to ensure it remains fit for purpose.

#### **Te tāhū kōrero**

##### **Background**

- 2) On 13 October 2023, the WMSB held its first workshop and discussed an overview of key issues identified in the Terms of Reference (ToR): the purpose, functions, members, election of the Chair and quorum; meeting in person or electronic means, voting, meetings, and delegations. The workshop also discussed the potential liabilities of the WMSB and Statutory Board members.

- 3) At the WMSB's 15 December 2023 workshop, the draft ToR was provided as background reading in the WMSB pack. Some amendments have been made to this document. Refer to the Attachment.
- 4) On 8 March 2024, the Statutory Board had a brief discussion on some ToR issues at its workshop.

### **Kawa and Tikanga**

- 5) The WMSB recognises the kawa and tikanga developed by Ngāti Kahungunu ki Wairarapa Tāmaki nui a Rua Settlement Trust and Rangitāne Tū Mai Rā Trust which are included in the Terms of Reference (ToR). The WMSB will include kawa and tikanga as they develop and make decisions over time. Refer to the ToR Attachment of this Report for a copy of the slides.

### **Terms of Reference**

- 6) The ToR sets out key information about the context in which the Statutory Board will make governance decisions and operate within:
  - a) Te Rohe o Rongokako Joint Redress Act 2022 (TRoRJR); and
  - b) Deeds of Settlement for Ngāti Kahungunu ki Wairarapa Tāmaki Nui a Rua and Rangitāne o Wairarapa Tāmaki Nui a Rua.
- 7) The ToR should be considered as a companion document to the WMSB's Rules of Procedure document.

### **Te tātaritanga**

#### **Analysis**

- 8) It's important to note, that where it is employed the word 'must', unless otherwise stated, identifies a mandatory legislative requirement.
- 9) The TRoRJR provisions have a significant number of 'must' obligations which have mandatory legislative weight associated with the legislative obligations cited in the ToR.

#### **Board logo**

- 10) It is proposed that the WMSB commissions a logo as a means of establishing its own bespoke brand. Without it, the WMSB will lack a recognisable visual presence for whānau, hapū and iwi and the wider community.
- 11) To date, a Ngāti Kahungunu ki Wairarapa Tāmaki Nui a Rua image has been used for Statutory Board Reports in lieu of the proposed logo. This will continue in the interim.
- 12) It is proposed that Ngāti Kahungunu ki Wairarapa Tāmaki nui a Rua Settlement Trust and Rangitāne Tū Mai Rā Trust lead the commissioning of the bespoke logo for the WMSB.

## **Annual Planning Processes and Meetings**

- 13) Under the TRoRJR, the WMSB must hold a planning meeting each year.
- 14) At each planning meeting,—
  - a) The WMSB must determine its annual and multi-year priorities; and
  - b) the ongoing role of the appointers of the WMSB members in the WMSB's annual planning processes—
    - (i) The WMSB must agree with the appointers of the WMSB's members to a programme for the operational management of the Wairarapa Moana reserves and Wairarapa Moana marginal strips for the following year (the annual operational management programme); and
    - (ii) The WMSB, and the appointers of the WMSB's members, must report to each other on the implementation of their respective responsibilities under the annual operational management programme for the previous year; and
    - (iii) the appointers of the WMSB's members must agree on the administrative and technical support they will provide to the WMSB.<sup>1</sup>
- 15) It is proposed that the WMSB considers aligning its planning processes as much as possible with the appointer agencies planning cycles.
- 16) This will enable the Wairarapa Moana to submit proposals (that include the operational management of the Wairarapa Moana reserves and Wairarapa Moana marginal strips) at key times that align with the appointer agencies planning and budget priorities decision making.

## **Use and review**

- 17) The ToR notes that the WMSB can develop any other function required to achieve the WMSB's purpose.<sup>2</sup>
- 18) It is proposed that the WMSB reviews the ToR every 3 years to ensure the context of the WMSB decision making remains relevant, is understood, and continues to lay the foundations for success.

## **Ngā Whakaarohanga**

### **Considerations**

## **Ngā hua ahumoni**

### **Financial implications**

- 19) Once the WMSB's preferred option is confirmed for developing a logo, more detailed analysis will be provided.
