	Concurrent sessions					
1:00pm - 2:15pm	<b>Field trip 1: Bird Atlas at Zealandia</b> <i>Join the Bird Atlas team to learn how to contribute valuable citizen science data to the Bird Atlas project just by birding! See how many rare and exciting native birds you can record and learn the value of contributing your bird sightings around Aotearoa to the Atlas.</i>	<b>Field trip 2 : Planting for Invertebrates</b> <i>Rediscover Ōtari-Wilton's Bush from the perspective of an insect, and learn more about what you can do in your restoration project to better cater for our fascinating native insect fauna.</i>	<b>Workshop 1 : Pick your brain!</b> <i>We will have brains aplenty in this session with experts from the Lightning round, and some of our agency specialists in pest plant and animal control and other aspects of environmental restoration.</i>	<b>Workshop 2 : Monitoring Innovations</b> <i>Learn about the newest innovations in monitoring biodiversity improvements at your stream with eDNA and native fish monitoring. You might discover some rare native fish and invertebrates you didn't even know where there!</i>	<b>Workshop 5 : Weeds - Know them, Kill them</b> <i>Help to know your weeds! Our experts can help you identify weeds and learn how to control them. Find out how to prioritise the weeds at your site, and where to go for best practise control methods.</i>	
2:15pm - 3:30pm		<b>Field trip 3 : Planting for Invertebrates</b> <i>(repeat)</i>	<b>Workshop 3 : Pick your Brain</b> <i>(repeat)</i>	<b>Workshop 4 : Monitoring Innovations</b> <i>(repeat)</i>	<b>Workshop 6 : Weeds - Know them, Kill them</b> <i>(repeat)</i>	
3:30pm	<b>Afternoon tea</b>					
3:55pm	<b>Closing address</b> - George Hobson					Auditorium
4:25pm	<b>Acknowledgements</b>					Auditorium
4:30pm - 5:30pm	<b>Networking Drinks and Nibbles</b>					<b>Cafe</b>
