Legislative framework

The Wellington Regional Council (Council) is constituted by the Local Government Act 2002 and is subject to the following Acts of Parliament that provide its powers, functions and duties:

- Local Government Act 2002
- Local Government Official Information and Meetings Act 1987
- Local Government (Rating) Act 2002
- Local Electoral Act 2001
- Biosecurity Act 1993
- Building Act 2004
- Civil Defence Emergency Management Act 2002
- Land Transport Management Act 2003
- Maritime Transport Act 1994
- Reserves Act 1977
- Resource Management Act 1991
- Soil Conservation and Rivers Control Act 1941
- Wellington Regional Council (Stadium Empowering) Act 1996
- Wellington Regional Council (Water Board Functions) Act 2005
- Wellington Regional Water Board Act 1972.

In this document, the physical area of Council's statutory responsibility, being the Wellington Region, is referred to as "the region".

Governance

Councillors are elected to Council through regular three-yearly elections, when the different constituencies of the region select their representatives for the forthcoming triennium. Once the elected Councillors have made their statutory declarations, they collectively (as Council) make decisions in the interests of the region as a whole; although they are also expected to understand the aspirations of different groups within the community.

Councillors have statutory obligations and restraints regarding the exercise of their powers, functions and duties.

Committees

As Council is responsible for a wide range of strategies, plans, and functions, Councillors need to organise their own work in a way that both facilitates a clear understanding of the issues and community concerns, and promotes efficiency and effectiveness.

Council’s optimal governance model is to create a series of standing committees that have the purpose/s and specific responsibilities outlined in the following terms of reference. These committees may have delegated powers, functions and duties from Council; the Council remains accountable for the exercise of these matters.

This governance model is intended to ensure decisions are made at the most appropriate level, and to provide clarity on the different and complementary roles of ‘governance’ and ‘management’.

Whilst specific Councillors are appointed to each standing committee, all Councillors receive copies of the order papers of these committees. Any Councillor may attend (sit at the table) and speak at a committee meeting, except for meetings of the Regional Transport Committee and Wellington Regional Strategy Committee. A summary of the matters dealt with by those committees is reported to Council.

Management

Greater Wellington Regional Council (Greater Wellington), as an organisation, delivers Council’s strategies, policies and plans through a range of programmes and activities. The actual delivery is carried out, under delegation, by staff appointed by the Chief Executive. The Chief Executive is accountable to Council for all delivery.

Governance and management relationship

The following table summarises the key responsibilities for, and relationships between, the governance and management roles:
