

The Waiohine River Plan

Incorporating the Waiohine Floodplain Management Plan

PLEASE HAVE YOUR SAY!

This is really important to us all.

It's unique! It's first. It's to keep you safer – affordably.

4 years ago we chose the first ever community led project team and told them to make an affordable flood and river plan that worked.

After over 12,000 hours of volunteer work from your team and a huge amount of support and guidance from you, the community, GWRC and independent experts, we'd love to learn how you feel about it all.

**Now you can make your formal public submission to
Greater Wellington Regional Council on our plan.**

A copy of your draft plan can be found online at waiohine.net or you can visit <https://haveyoursay.gw.govt.nz/waiohine-river-plan> or pick a hard copy up from your library (hint, it's easier to read online though)

For a submission form just turn over, or download one from waiohine.net or Greater Wellington at floodprotection@gw.govt.nz or pick one up at your library too.

Submission forms can be dropped in at your library anytime by 16 August.
(submissions close at 5pm 16 August)

**Your submission really matters – it's all our vision and plan for
our river, our children and for their children too.**

*This plan has been developed by a community led process, to be substantially implemented by
Greater Wellington.*

Thank you from Waiohine Action Group (WAG) and

The Waiōhine River Plan Incorporating the Waiōhine Floodplain Management Plan

SUBMISSION FORM

Please note that submissions may be made publicly available under the Local Government Official Information and Meetings Act 1987. If you are making a submission as an individual and do not want your personal contact details made publicly available please let us know in your submission. We will then consider removing your personal contact details.

Please also be aware that we may contact you to clarify your submission if we consider this necessary.

Drop in box provided at local library email to floodprotection@gw.govt.nz or mail to: Flood Protection Department, Greater Wellington Regional Council, PO Box 11646, Wellington 6142

Your Details: Full Name:.....
